

Please email Prof, Goadsby and Dr. Schankin at VS-Research@headache.ucsf.edu with the following information. If you already sent a brief "I'm interested" email, please RESEND with this information. Thank you so much!

Name

Address

Date of Birth (Day/Month/Year)

Telephone number

Willingness to be contacted for research

Indicating they are allowing us to keep the contact details solely for communication for research? it's a European data protection thing?

Brief description of symptoms ?

Short description of visual symptoms in own words:

Visual snow: what type (chose one):

- black and white (i.e. only black dots on white background, white dots on black background)
- clear (i.e. color of the background)
- flashing (i.e. always white, brighter than background)
- colored
- all of these

Other symptoms (yes or no) I know it is difficult but for an email yes or no to the other symptoms

- After images
- Trailing of images in the vision
- Blue field entoptic phenomenon (i.e. white squiggly lines moving pulsating on the blue sky)
- Floaters in vision
- Colored clouds or waves with eyes closed
- Flashes of light
- Impaired night vision
- Sensitive to light
- Tinnitus
